

*My favorite dessert is cheesecake. It taste sweet and creamy. My favorite flavor is vanilla. I do not want fruit on my cheesecake. I make a good cheesecake. I make it with eggs, milk and cream cheese and bake it in the oven. My husband and sons love it too!*

## Lights

When I see Christmas lights, I feel happy and excited. They remind me that Christmas is near. Some houses have many lights. Those people make many kids happy. Some lights blink. I like to see them, but I don't like to put them up. I am happy that others like to. Christmas is a joyful time.

I switched a lightbulb. I can't see without light. I bought a new light. The gas station has lots of lights.

## Christmas

We are celebrating the birth of Jesus Christ on December twenty fifth. He did not give presents. He gave life. That is our present right there. That is a wonderful thing!

*December is a very special month for many people because this month is the last month before the beginning of the new year. It is also a month of celebrating the birth of Jesus during the Christmas season. Lights are used to decorate the Christmas tree. In addition, they are also used to decorate inside and outside houses to symbolize the joy of Christmas.*
